Provided that if it appears that the offender has committed a different offence under any other law he/she may if the court is competent to try that offence, award such punishment.

(1) The Provisions of this Act shall have an overriding effect and shall be in addition to and not in derogation to any other law for the time being in force.

4. Application of certain Acts.- Victims of acid attack or burn attack shall be deemed to be person with disability and are entitled to benefits and all measures prescribed under The Disabled Person (Employment and Rehabilitation) Ordinance, 1981.

5. Criminal liabilities.- (1) All offences committed under this Act shall be cognizable, Non-Compoundable and Non-Bailable;

Chapter II

Investigation, Trial and Appeal

6. Offence of Acid attack or Burn attack.- (1) Whoever commits or attempts to commit an offence of acid or burn attack shall :

(i) If such act has resulted in the death of any person, be punished with rigorous imprisonment for life; and;

(ii) Whoever intentionally causes hurt by Acid and Burn attack shall be punished with rigorous imprisonment for not less than 7 years.

7. Interim Relief.- (1) The court may, at any stage of the trial, on an application by the victim, direct the government to pay interim monetary relief to the victim to meet the expenses incurred and losses suffered by him/her. Such relief may include, but is not limited to :-

(a) loss of earning;

(b) medical expenses;

(c) damages on account of disfigurement and/or disability

(2) The Government shall pay monetary relief to the victim within the period specified in the order made in terms of sub-section (1) of section 8 and in accordance with the terms thereof.

(3) Such amount which has been paid by the government or the employer or debtor as the case may be, shall be adjusted towards monetary relief payable by the convict as ordered in the final judgment or shall be recovered as arrears of land revenue.

8. **Realization of Fines etc.** - The amount of fine imposed by court will be realized according to normal procedure provided under criminal law, and part of such recovered funds will be paid to the victim as compensation;

9. **Attempt to commit.**- Whoever attempts to commit an offence of acid attack or burn attack shall be punished with imprisonment of either description which may extend to 7 years but shall not be less than 3 years and also with fine not exceeding one hundred thousand rupees.

10. **Aiding, Abetting, Collusion.**- Whoever aids abets or colludes in the commission of acid or burn attack either singly or jointly which may include preparation of act or of execution shall be guilty of committing the said offence and shall be liable to same punishment as provided under section 10 above;

Medical personnel-Reporting, Examination and other duties

11. Save as otherwise provided in section 174A of CrPC if an acid/burn victim is brought to a medical officer, BHU, Hospital, Private, Government or Semi-government controlled health centre, where medical services are provided shall immediately provide initial treatment to victim and shall be under legal duty to inform concerned law enforcing agencies or nearest police station and shall also maintain a record in the hospital relating to the antecedents of the said victim.

12. **Photographic evidence.**- (1) Concerned medical personnel shall be under legal duty to take "photographs" of injuries of victim which shall become part of evidence. In case of failure of which, the court may, if satisfied that reasonable grounds exist, refer the matter to the competent authority for disciplinary proceedings against such medical personnel;

(2) Where victim is female, photographs shall be taken by female medical personnel and in case a female medical personnel and in case a female medical personnel, is unavailable it may be permissible for a male medical personnel to take pictures;

(3) Such photographs as mentioned in subsection (1) above shall be kept in safe custody of such medical personnel or medical facility and shall be admissible without calling such medical personnel. Such evidence shall become part of medico-legal file and all data contained therein shall be classified;

13. **Medical personnel of Government run facilities to provide free examination, medical treatment and rehabilitation.**- (1) Every medical personnel of every Government run medical facility shall be under legal obligation to examine the victim and/or ensure medical examination by competent person and/or provide him/her with medical treatment and rehabilitation to treat the acid or burn victims free of cost.

(2) The court shall on contravention of the above provision order to take appropriate action against medical personnel or medical facility as the case may be.

14. Investigation.- (1) Investigation under this Act must be completed by a Police Officer in charge of investigation not below the rank of Inspector/SHO within 14 (fourteen) days of being informed or registration of FIR.

(2) Where investigation cannot be completed within the time frame mentioned in sub-section (1), the court may allow time but not exceeding 14 days, provided reasonable grounds exist for such extension.

(3) Total time for investigation of acid or burn attacks shall not exceed 60 days; where it does, such failure may be used in performance assessment of the presiding judge or the officer in charge of investigation as the case may be;

15. Negligence of Investigating Officer.- If during trial, evidence is placed before the court of deliberate malfeasance of the investigating officer in charge of investigation, the court may pass appropriate orders for initiation of legal action against such officer(s) after recording reasons for doing so.

16. Punishment for defective investigation.- (1) If the court finds during the course of investigation or at the conclusion of the trial that the investigating officer, or other concerned officers have failed to carry out the investigation with due diligence or have failed to pursue the case properly and are in breach of their duties, the court shall punish such officer(s) with imprisonment which may extend to two years, or with fine, or with both by resorting to summary proceedings;

17. Trial Time Frame.- (1) Notwithstanding anything contained in any other law for the time being in force, the accused shall be prosecuted and the trial shall be conducted on day to day basis and shall be concluded within seven days.

Witnesses

18. Protection of witnesses.- (1) The court, trying an offence under this Act may, on application by a witness in any proceedings before it or by the public prosecutor in relation to such witness or on its own motion, give such directions as it may deem fit, for the protection of witness or witnesses, as the case may be;

(2) Any person who fails to comply with any direction issued under sub-section (1) above, or any person who threatens or otherwise causes harassment to any such witness shall be guilty of an offence punishable- by way of summary procedure with imprisonment which may extend to two years, or with fine or with both;

19. **Cognizance of the Crime.-** (1) The court may on the complaint or written report filed by a police officer not below the rank of an inspector/SHO or concerned medical officer take cognizance of the offence specified in this Act.

(2) On failure of lodging of a report by the notified officer the complainant/aggrieved party shall have the right to lodge complaint directly to the concerned court and the court shall take cognizance upon such complaint.

(3) If the court comes to the conclusion that a person has complained or requested a police officer to register a case of acid attack or burn attack, but such efforts have failed, the court can accept complaint directly from the person for trial without the report described in subsection (1) above and issue directions/orders accordingly;

20. **Appeal.-** (1) Any person, aggrieved by the order or judgment of conviction or acquittal passed by Session judge or Additional Session judge held on a trial, may appeal to High Court within a period of 30 days.
